

FunTech Economy Series

Base Model
Configuration: Standard*
MSRP: \$449.99

Computer

Component	Manufacturer	Model	Description
Case	Cooler Master	RC-360-KKR1	Elite 360 ATX Mini-Tower
Power Supply	Antec	EA-380D	EarthWatts Green 380 Watt
Motherboard	Gigabyte	GA-MA785GM-US2H	Micro-ATX Integrated HDMI,DVI
Processor	AMD	Sempron 140	2.7GHz, 1MB L2 Single-Core
RAM	A-DATA	AD2U800B1G5-DRH	2GB (2x1GB) DDR2 800 SDRAM
HDD (Hard Disk Drive)	Western-Digital	Caviar Green	500GB 7200 RPM SATA 3.0Gb/s
ODD (Optical Disk Drive)	LITE-ON	iHAS124-04	24X CD/DVD Burner
Video	ATI	Radeon HD 4200	Integrated
Sound	Realtek	ALC8898	Integrated 8 channels
Network	Realtek	ALC889A	Integrated 10/100/1000Mbps

Peripherals

Component	Manufacturer	Model	Description
Monitor			Not included
Keyboard	Microsoft	B2L-0002	Comfort Curve 2000
Mouse	Microsoft	D66-00069	Wheel Mouse Optical
Speakers			Not included

Software

Component	Manufacturer	Model	Description
Operating System	Ubuntu	10.04 LTS	

**Standard configurations are AMD processor-based; Intel processor-based configurations are available. Configuration is based on component availability. All components are interchangeable and fully compatible; substitutions of equal value will be made when availability varies.*
